

**YAKAMA NATION HUMAN RESOURCES DEPARTMENT
JOB ANNOUNCEMENT**

Announcement # 2014-185 Issue Date: 10-24-14 Closing Date: 10-30-14

Native Connections Project Coordinator
Behavioral Health
Department of Health & Human Services
Hourly Wage: \$18.58/Regular/Full-Time

Responsible for designing the evaluation process; responsibilities also entail participation in the design process, suggesting measures that are needed and then being responsible for the timely gathering and analysis of the data.

Knowledge, Skills and Abilities:

- Knowledge of current literature, trends and development in the area of mental health and substance abuse issues with children and youth.
- Ability to work with multiple programs and apply considerable knowledge of management principles and practices.
- Ability to communicate constructively and effectively with audience groups and new media.

General Recruiting Indicators:

- Minimum of an Associate of Arts Degree in Behavioral Science or related field and at least three years in a job that required program evaluation or a related responsibility; at least five years' experience working with tribal programs and providers and have a working knowledge of mental health and substance abuse treatment issues and types of measurements used to evaluate progress.

Special Requirements:

- Required to pass a pre-employment drug and alcohol test.
- Required to pass a pre-employment background check.
- Must possess a valid Washington State Driver License with the ability to obtain a Yakama Tribal Driver Permit.
- This is a full-time position (40 hour per week) requiring flexible work hours, occasional meetings in the evening and will necessitate traveling throughout the Yakama Reservation.
